The A. O. U. W. Ball.

We call the attention of our readers to the advertisement in another column of Ormsby Lodge No. 4, A. O. U. W. This Lodge propose giving a ball on the evening of Thursday, November 24. It will be the first dance given by the Order in this county, and will undoubtedly be a fine affair. It is customary among the Lodges of the Order throughout the country to get up entertainments for the amusement of members and friends, and they never do things by halves. The tickets are \$2, admitting one gentleman and all the ladies in town.

The Opera House.

To-morrow evening W. E. Sheridan, supported by a first-class company, will appear at the Opera House in the character of "King Lear." Mr. Sheridan now ranks as one of the foremost tragedians of America; a fact to which the Eastern and California press cheerfully attest. His success at Virginia City has been a signal one. He is sure to receive an enthusiastic welcome here; and those who witness his personation of "King Lear" and "Louis XI." will have a treat that has long been denied them in this city.

Life Insurance.

Life insurance companies are suffering all over the country by reason of the organization of the numerous mutual benefit societies. It is stated that within the past three years, in Carson alone, fifty or more members of the Masonic order, Knights of Pythias, and members of the A. O. U. W. have dropped policies in regular life insurance companies, and availed themselves of the benefits afforded by their respective orders. The mutual benefit societies do not fail or suspend payment, thus affording greater security to the beneficiaries.

Trout Eggs.

Superintendent Crawford, of the Mint, yesterday received a letter from Captain J. B. Overton, of the Gold Hill and Virginia Water Company, stating that on the 25th instant he would be ready to deliver to him 100,000 Eastern trout eggs, to be deposited in Nevada streams. This trout is a more beautifully marked fish than our native trout, and its meat is of a more delicious flavor, so it is said by epicures.

It is a remarkable thing that a child can purchase with perfect confidence, and receive the same honest and fair dealing as the best judge, at the square dealing house of Uncle Harris, 221 Kearny, between Bush and Sutter streets, San Francisco.

On or about the 25th of last month came to Wood Ranch, a mile west of Carson, in King's Canyon, a gray mare. The owner can have the same by proving property and paying costs. n12-2w.

CHURCH SERVICES.

Methodist Church—Services at 11 A. M. and 7:15 P. M., Rev. W. C. Gray officiating. Praise service from 7 to 7:15. Sunday school at 2 P. M.

At St. Peter's Church, Rev. Geo. R. Davis, Rector, officiating, the regular morning services, commencing at 11 o'clock, will be held. Evening services at 7 o'clock.

Presbyterian Church—Morning and evening services at the Presbyterian Church to-day at the usual hours. Rev. E. F. Walker, of Virginia, officiating. Sunday School at 12:15. All are cordially invited.

An Old Timer Heard From.

Old residents of Empire, as well as many Carsonites, will remember Frank Harnden, who kept a little boarding house for one of the Carson river mills in 1863 or in 1864. It will be recollected that in the latter year he went either to Chili or Peru to enter the service of Harry Meigs, who at that time was conducting great railroad enterprises in those countries. For many years nothing had been heard of Harnden; but a week ago a merchant in this city, who had been on very intimate terms with Harnden while he was living in this vicinity, received a letter from him dated Callao, in which he states that during the war with Chili and Peru, he was in command of one wing of the Peruvian army, and in a legitimate manner, made nearly \$5,000,000; and that now he is a member of the Peruvian State Ministry. What the title of his office is he does not state. If Harnden is not "drawing a long bow," he is decidedly successful.

Asylum Work.

Reno Journal: Matters and things are lively at the Asylum. Fifty men are at work there, and everything goes along so smoothly that the tanners and plumbers and lathers and carpenters make no complaints against one another. The plasterers and painters will start in some time next week. The Mansard roof will be finished in another week, when the fears of a storm will create no alarm, and then the inside work can be pushed along at a 2:10 gait.

Scandal.

An ugly rumor comes from Virginia City that a young man extensively known in this city had been shot and seriously hurt by an injured husband. All parties to the affair are members of good society. As the matter is not likely to be brought before the courts at once, names are at present omitted. The APPEAL, however, does not waste much sympathy upon the destroyers of other men's domestic happiness.

Opera.

A private letter received here yesterday states that it is more than likely that the managers of the San Francisco Winter Garden will give us a short season of English light opera during the winter. The APPEAL feels sure that nothing will be more highly appreciated. Carson is proverbially fond of good music, and a first-class opera troupe always meets with an enthusiastic reception.

Wood for Sale.

I will sell wood, as good, and even better, than any in Carson, two-thirds red fir limbs, and one-third split yellow-pine (mixed) at \$7 per cord. A reduction of fifty cents will be allowed to parties taking five cords or more at one time. I have also a quantity of nut-pine and cedar, which I will sell at proportionately low figures. Terms strictly cash on delivery. D. CIRCE.

M. W. Hodkins, at the Glove Depot, opposite the Arlington House, has just received a large and fine stock of gloves and mitts for gents, ladies and children of the latest styles. Best assortment and lowest prices in the State. Hand-sewed buck gloves a specialty. Also, men's buckskin underwear, socks, suspenders, etc. o4-1m*

A raffle for a Kennedy improved rifle, 44 caliber, C. T. 24 inches, octo barrel, will be disposed of at the Hole-in-the-Wall (Opera House) on Friday evening, November 10, at 8 o'clock. Fifty tickets, at \$1 each. Box-sheet now open. Come one, come all, and try the dice at the Hole-in-the-Wall. Bang! n1-td

Ministers use Ammen's Cough Syrup. Ask for Ammen's Cough Syrup.

IN BRIEF.

General Pat Reddy, of Inyo county, is at the Ormsby.

There will be services in all the churches to-day.

To-morrow night will be a perfect gala occasion at the Opera House.

This month's pay roll of the V. & T. and C. & C. railroads foots up \$40,000, in round figures.

Assessments on Overman and Benton Consolidated will be delinquent in Board to-morrow.

It is several years since Judge Sawyer held as long a session of the U. S. Circuit Court as at present.

Col. W. J. Sutherland, the promoter of the Candelaria water works, arrived here from the Bay yesterday.

Gus Lewis, of Reno, and for many years a resident of Carson, has been very sick, but is improving.

C. P. Mason, of the V. & T. R. R., accompanied by his family, left on a visit to San Francisco last night.

The usual Sunday get-up at the Hole-in-the-Wall to-day. Hank Farrell will stand at the right hand of the Captain.

The Northern Belle dividend of 75 cents per share, is payable on Tuesday. Carson will be flooded with money on that day.

Several mining men from the eastern part of the State, now in this city, are going to send the products of their mines to the Carson Mint.

There are several convicts at the State Prison who invest their earnings in literature of a high order, such as the *North American Review*, etc.

A large crowd will most likely be at Treadway's to-day to witness the progress made by the Carson Guard in rifle shooting during the past year.

Persons having claims against the County for July, August and September, can get their certificates by calling at the office of County Recorder Turner to-morrow.

The choir at the Episcopal Church is composed of some fine talent, and the attendants at service there are consequently treated with good singing as well as good sermons.

Governor Kinkead and Messrs. Clatworthy and Abenroth, of New York, leave this morning for Candelaria, on a visit of inspection of the mines and the White Mountain Water Company.

The Reno Gazette says that the furniture and safe at the old N. & O. battle-ground have been attached for rent. Colonel Moore and Secretary Gardiner have their offices on Second street.

Otto T. Schulz, of the Stone Market, yesterday received a new visitor into his family, his good wife presenting to him a daughter. Otto was smiling all day, and says it will be good company for the other two. Here's hoping it will.

Major W. D. Barton is in Carson canvassing for a new work entitled "Battles in America by Lea and Land." The work will contain biographical sketches of naval and military commanders, and a large number of steel engravings.

Carson is well represented at Butte City, Montana. Many of the old time "sports," who in the flush times thought no more of a twenty than they did of a half dollar before they left here, are living their extravagant Nevada life over again in that camp.

Ike Chamberlain, says the Reno Journal of yesterday, will be home on this morning's train. His brother and wife thought it best to gratify his wish to bring him back to Reno, and although he was very weak, they managed to get him across the bay yesterday afternoon.

Everybody that has tried Ammen's Cough Syrup, continues to use it, besides they tell their neighbors of it. We were in a drug store the other day when a customer asked for a bottle of Ammen's Cough Syrup, saying "I do not know anything about it myself, but my neighbor advised me to buy it for my cold, and tells me that the use of three bottles has entirely cured his cough of two years standing, in fact he says it is the best medicine in the world for coughs, colds and lung complaints," and that a one-dollar bottle did him more good than all the prescriptions he had from the doctors."

A THANKSGIVING PROCLAMATION.

The year now closing will be memorable in the history of our Government. A crime which appalled the American people and shocked the civilized world was committed upon the person of the Nation's Chief Magistrate. The profound grief occasioned by his sufferings and death still exist among all classes of our citizens. Yet it is a source of pride and thankfulness that, throughout the intense excitement attending the attack upon the late President, his long and heroic struggle for life, his death, and the consequent change of administration, law and order have reigned supreme. This evidence of governmental strength is a matter of especial gratulation. While the citizens of Nevada have not been favored with exceptional business prosperity, marked improvement is manifest, and the outlook for the coming year is bright. As a people we have cause for thankfulness.

Wherefore, in accordance with the proclamation of the President of the United States, I, John H. Kinkead, Governor of the State of Nevada, do hereby appoint and designate Thursday, the 24th day of November, A. D. 1881, as a day of Thanksgiving to the Supreme Ruler for the manifest blessings we enjoy, and urge upon the people of this commonwealth a hearty union in its appropriate observance.

JOHN H. KINKEAD,
Governor of Nevada.

The greatest of all evils is a weak government. They cannot carry good measures, they are forced to carry bad ones.
